

Nelson Diocese COVID-19/Flu Protection Framework

Living with COVID - 07 April 2022

<p>Green</p>	<p>COVID-19 across NZ. Limited community transmission. COVID-19 hospitalisations are at a manageable level. Health system is ready to respond.</p>	<ul style="list-style-type: none"> • No restrictions • Keep up healthy habits
<p>Orange</p>	<p>Increasing community transmission & more pressure on health system. Health system is focusing resources but can manage. Increasing risk to at-risk populations</p>	<ul style="list-style-type: none"> • No capacity limits • Face masks are required to be worn by workers, including volunteers, at indoor events and gatherings (these must be medical grade masks for events workers in public facing roles). Attendees are not required to wear face masks. (Just encouraged) Face masks must cover the nose and mouth, and need to be attached by loops around the ears or head. (Not 'Required' if exclusive use) • Physical distancing encouraged • Food and drink can be served as normal • All programmes can operate with strong public health measures in place • Communion - No common cup/intinction
<p>Red</p>	<p>Action needed to protect health system – system facing unsustainable number of hospitalisations. Action needed to protect at-risk populations.</p>	<ul style="list-style-type: none"> • Face masks are required to be worn: <ul style="list-style-type: none"> • by workers, including volunteers, at indoor events and gatherings (these must be medical grade masks for workers in public facing roles). • by attendees at indoor events and also by attendees at indoor gatherings where there is not exclusive use of the defined space. • Face masks must cover the nose and mouth and need to be attached by loops around the ears or head. • Food and drink can be served as normal at gatherings. (Seated & served encouraged) Events require 'seated & served' model. • Communion - No common cup/intinction • Indoor gatherings and events (e.g. weddings, funerals) can have up to 200 people based on the maximum number people who could occupy the space if each person was 1 metre apart. • Recommend good public health advice measures. (eg Distancing, hygiene, ventilation, masks for all, stay home if symptoms etc.)
