The dates for the next 2 Learning Communities in 2020 have been set – please these in your diary:

LC 2: April 2-4

LC 3 September 17-19.

These events will be run at lake Rotoiti like last time.

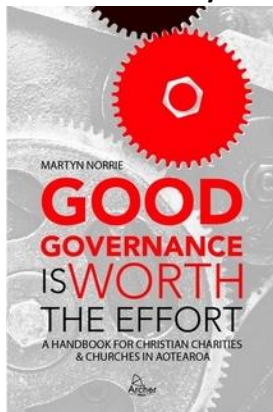

### **CPE 2020.**

At their meeting on August 8, Standing Committee passed two motions:

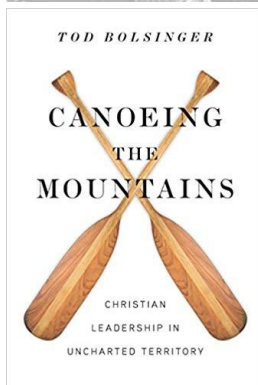

- It was moved that all clergy appointed to a position within the Diocese are required to undertake CPE within two years, if they have not already done so
- It was moved that all existing clergy within the Nelson Diocese who have not completed a CPE course are required to do so by the end of 2022

Planning is now underway for CPE 2020 and it is likely that the course will begin in February. CPE is now also recognized by Laidlaw College through recognition of prior learning and can be included in a degree or graduate diploma. If you have not undertaken CPE please talk to me about when you would like to do so.
